With a far-reaching influence throughout the Texas Coastal Bend, AIA Corpus Christi is the ideal organization to support and join as a 2020 Sponsor!

The American Institute of Architects (AIA) has been the leading professional membership association for licensed architects, emerging professionals, and allied partners since 1857. Representing more than 90,000 members nationally, 6,000 members statewide and 100 members locally, AIA is the voice of the architectural community.

AIA Corpus Christi was incorporated in 1960 to bring local architects together to continue advancement and development in the profession. Our chapter unites the community of design professionals who live and work in the Texas Coastal Bend by connecting directly with architects, associates, and professionals in the design and building industries. As a public resource, AIA Corpus Christi utilizes our vast local and national opportunities to educate, promote and encourage ongoing support and appreciation of innovative and historic architecture. Working with each other and our community, we can create more valuable, healthy, secure, and sustainable buildings and cityscapes.

**SUSTAINING SPONSORS:** Sustaining Sponsors at the Platinum, Gold, and Silver level receive an Allied membership to the chapter and maintain an annual presence in chapter activities and events supporting the architectural, design and building community. Sustaining Sponsors are considered our Annual Partners and are exclusively recognized as such on our website and in our newsletter. Join Us!

**A LA CARTE SPONSORS:** A La Carte Sponsors provide important support for ongoing programs and events. Sponsors receive recognition on event marketing and promotional materials and logo inclusion on calendar listings specific to the sponsored event.

---

**2020 SPONSORSHIP OPPORTUNITIES**

**CHAPTER MEETINGS:** Our quarterly chapter meetings include a meal and educational opportunity focused around national, local and industry-related topics. High-end, relevant speakers bring together members, community representatives and like-minded professionals. Get your logo front and center at each meeting, display samples and let members know about your company or service.

**GOLF TOURNAMENT:** The Annual Golf Tournament offers a wide array of sponsorship options and levels. It’s the perfect way to attach your name to a fun, extracurricular event that brings together all fields of the built environment community.

**CODE and/or TECH ACADEMY:** Our annual day–long continuing education program focuses on changes in building code, accessibility design, and other industry related large-format topics. 2020 will also include a technology track. Want a captive audience? Here’s your chance!

**EDUCATION PARTNERSHIP:** In 2020, AIA Corpus Christi will participate in a variety of non–traditional (for our chapter) education opportunities that provide attendees with the Learning Units required for licensure. Your sponsorship will put you in front of a large, captive audience of architects and other professionals.

**BUILT ENVIRONMENT YOUNG PROFESSIONALS PROGRAM:** New in 2019, our EP Program unites young architects, future architects and the young at heart for networking, socializing and educational opportunities throughout the year. With a minimum of four planned events/programs in 2020, this is your opportunity to align your company with the next generation of leadership for our industry!

**ANNUAL KICKOFF PARTY/HONORS AWARDS:** What better way to kick off the new year than with a party! Held in January, this festive and fun event changes venue every year and brings all members together for a night to celebrate what we have done, and where we are going in the coming year.

**JOINT EVENTS, MIXERS & TOURS:** 2020 will include a number of joint events and/or mixers with sister membership organizations associated with the local built environment. Reserve your opportunity to put your company in front of members from multiple organizations!

**LUNCH & LEARN:** Continuing Education Unit (CEU) ‘Lunch & Learns’ are well attended lunch meetings with lots of potential for you to reach Chapter members through your own educational session.
